

Program Committee Report

2022 AGM

In the wake of the 50th Anniversary gathering in June, the committee prepared the 2022 Vin Rushton Lunch and Lecture for October 2. We hope the small attendance in person will be followed by many viewers on the Youtube channel. We had 39 in attendance at the anniversary celebration, and 22 at the Rushton Lecture.

2023 should allow us to have the Rushton Lecture in the late spring, and our annual assembly in the early fall, as usual.
